How to Order

A David Austin Wedding

Choose one of four
color palettes.

Place your order online:
[www.mayesh.com/
adavidaustinwedding](http://www.mayesh.com/adavidaustinwedding)

With limited quantities
available each week, be sure
to order early and at least 4
weeks in advance.

Top Tip

As a guide, David Austin recommends delivery of the roses four days before your event. On arrival, cut stems and rehydrate the roses with flower food in the coolest place possible for 6 hours or so. Then remove all packaging and allow time for your roses to open – this will take between two to four days.
